

The **final extra** to all of your mechanical connections

Product information: SCHRAUBEN-SICHERUNGSLACK (Screw-securing and thread-sealing varnish)

### **SCHRAUBEN-SICHERUNGSLACK**

is an essential tool for all kinds of screw securing jobs in machine-building, precision-engineering, maintenance, automotive-industry and electronics

### **SCHRAUBEN-SICHERUNGSLACK**

safeguards your workmanship against manipulation by giving proof of unauthorized undoing of screws, joints, housings/casings and boxes

### **SCHRAUBEN-SICHERUNGSLACK**

helps giving evidence of your quality assurance, production control and final inspection by a varnish-seal
